Dear Summer Student,

Welcome to Yale University!

Please read this information carefully.

Instructions:

1. Print the vaccination record form and these instructions now. Certain vaccinations require a series. Delay may prevent registration.
2. Take them to your healthcare provider (physician, nurse practitioner, physician assistant, etc.) and have them fully complete the form.
3. Do not mail or email this form to Yale Health.
4. Once you activate your NET ID, at least six days prior to your session start, go to https://yale.medicatconnect.com, Yale’s online immunization portal and do the following:
   a. Enter your Yale NetID and password to log in.
   b. Enter the dates of all vaccinations.
   c. Scan or take a photo of the vaccination form and all supporting documents (e.g. laboratory tests).
   d. Upload all of your forms and all of your documentation for verification purposes (scanned or photo).
   e. Verification takes 1-5 business days.
   f. Respond to Medicat’s requests for further information or requests for corrective action.

**Information for all Summer Students & Their Healthcare Providers**

**REQUIRED VACCINATIONS/TITERS**

**MMR (Measles, Mumps & Rubella)**

- Two measles, mumps and rubella vaccinations administered AFTER your FIRST BIRTHDAY and administered at least 28 DAYS APART.
  OR
- TITER - Blood test results that show that you have immunity to MMR. If any of these tests are negative, revaccination is required. Upload the lab report with your completed vaccination record.

**Varicella (chickenpox)**

- Two varicella vaccinations administered AFTER your FIRST BIRTHDAY and administered at least 28 DAYS APART.
  OR
- Documentation of date of disease as witnessed/treated by your healthcare provider.
  OR
- TITER - Blood test results that show that you have immunity to varicella. If this test is negative, revaccination is required. Upload the lab report with your completed vaccination record.
Yale

Meningitis

- If you will be living in on-campus housing (dormitory only), you are required to document the administration of one quadrivalent meningitis vaccination administered within the past five years. The only vaccines accepted are: ACWY, Menveo, Nimenrix, Menactra, Mencevax, Menomune.

- On campus dormitories include all the undergraduate residential colleges.

Tuberculosis (TB) Screening

- If you have lived or traveled outside of the U.S. within the past year, ask your healthcare provider to complete a TB test (PPD or Quantiferon) and document it on the immunization record.

- Chest Xray reports must be uploaded with any positive PPD or Quantiferon testing.

Medical Waiver and Religious Waiver from Vaccination

In the event that you are requesting a waiver from vaccination you must:

2. Although written for minors, you may sign it as it applies to you.

3. Attach a letter from your physician explaining the reason for the medical waiver (not needed for religious waiver).

4. In lieu of vaccinations, ask your physician to draw titers (blood tests to determine immunity) for measles, mumps, rubella and varicella and send the lab reports with the above-listed documentation.
Submit all completed forms and attachments by scanning and uploading them to https://yale.medcatconnect.com.
Due: six weeks prior to your session start

**IMMUNIZATION HISTORY**

1. MEASLES, MUMPS, RUBELLA (MMR) Vaccination

   **Option 1**
   Measles, Mumps, Rubella (MMR) Vaccination
   (First dose must be given on or after your first birthday to be accepted)
   
   **Dose #1:**
   
   **Dose #2:**

   **Option 2**
   In lieu of proof of vaccination above, a titer showing immunity to each individual disease is an acceptable alternative to vaccination.

   Measles Titer Result: □ Immune □ Not immune Date (month/day/year)
   Mumps Titer Result: □ Immune □ Not immune Date (month/day/year)
   Rubella Titer Result: □ Immune □ Not immune Date (month/day/year)

2. VARICELLA Vaccination – required for all students born after 1979

   **Option 1**
   Varicella Vaccination – first dose must be given on or after your first birthday to be accepted.
   
   **Dose #1:**
   
   **Dose #2:**

   **Option 2**
   In lieu of proof of vaccination above, a titer showing immunity to each individual disease is an acceptable alternative to vaccination.

   Varicella Titer Result: □ Immune □ Not immune* Date (month/day/year)
   *If not immune, you are required to receive a booster and repeat the titer or receive two varicella vaccines in lieu of the booster and titer.

   **Option 3**
   An incidence of disease will take the place of a vaccine requirement
   (Must be filled in by an MD/DO/APRN/PA-C)

3. MENINGOCOCCAL Vaccination – required of all students living in University dormitories

   Meningococcal Vaccine (MCV 4)
   Must cover strains A, C, Y, W-135
   (Menactra, Menveo or Nimenrix)

   **Date:**
   
   Vaccination must have been given within 5 years of your first day of class at Yale.

   Exceptions to requirement:
   □ I will not be living in University owned dormitories
   □ I am over 29 years of age.

4. TUBERCULOSIS (TB) - if the student has lived or traveled outside the United States during the past year tuberculosis (TB) screening is REQUIRED

   **STEP 1: TB Blood Test/IGRA**
   Recommended if prior BCG
   □ Quantiferon □ T-Spot
   
   **Date:**
   
   **RESULT:** □ NEG □ POS

   **STEP 2: Chest X-ray AND Medication Treatment**

   **STEP 1: TB Blood Test/IGRA**
   OR **TB Skin Test (PPD)**
   
   **Date planted:** / / Month Day Year
   **Date read:** / / Month Day Year
   **Interpretation:** □ NEG □ POS
   **mm of duration:**

   **Required if past or current positive TB skin or blood test. Not required if completed medication treatment for TB.**

   **Latent TB Infection**
   □ Active TB Infection

   **Date(s):**
   
   **List Medication(s):**
   
   □ Normal □ Abnormal

If test is POSITIVE, proceed to Step 2 →

Instructions for Submitting Forms and Supporting Documents to Medicat

1. At least six days prior to the start of your summer session, go to https://yale.medicatconnect.com.
   a. Enter your Yale NetID and password to log in.
   b. Enter the dates of all vaccinations.
   c. Scan or take a photo and upload this vaccination form and all supporting documents.
   d. Upload all of your forms and all of your documentation for verification purposes (scanned or photo)
   e. Verification takes 1-5 business days
   f. Respond, if necessary, to Medicat’s requests for further information or requests for corrective action.

Upon acceptance you will automatically be placed on Health Hold until all required vaccination information is received. Compliance with vaccinations is mandatory and a Health Hold will prevent you from being able to register for classes. It is your responsibility to complete all vaccination requirements before coming to campus. Only Medicat can release your Health Hold.
