YSS offers activities like field trips, sports and game nights, and study breaks to help you explore, have fun, and make friends.

Whether you join us in New Haven or online—or both—bring your passion, your curiosity, and your sense of adventure. Experience Yale this summer!

CAMPUS LIFE
AT YALE

Far more than a dormitory, your residential college will be your home away from home this summer.

Each one of Yale’s 14 residential colleges has its own distinctive architecture, courtyard, dining hall, library, and activity spaces.

Suites: Most rooms are part of a suite, with bedrooms and a living room. Many students say their roommate and suitemates quickly become their best friends at Yale!

Dining Hall: The dining hall serves three excellent meals a day with hot and cold food options. Yale accommodates special dietary needs. For example, vegetarian, vegan, and gluten-free options are available.

Buttery: Yale has special cafés in the residential colleges called butteries. Each buttery sells food late at night and often serves as a gathering place for students in the college to take a break from studying.
