

PERMISSION FOR ONLINE LEARNING AND ELECTRONIC COMMUNICATION

This form is for parents and guardians of Yale Summer Session students who are under the age of 18. Yale Summer Session offers academic programs and courses both in person on Yale’s campus in New Haven, Connecticut, and fully online; occasionally, some Yale Summer Session programs and courses may also be hybrid, by design or due to exigent circumstances, with a mixture of in-person and online sessions. Whether in person, online, or hybrid, all Yale Summer Session programs and courses may have online content or components (including but not limited to live synchronous sessions via video link) conducted through Zoom, Canvas, and e-mail, or other similar or related programs and platforms, and require direct electronic communication with students.

Yale Summer Session is offering your child, if admitted, the opportunity to participate in one or more of its programs or courses this summer. If you would like your child to participate in Yale Summer Session, please complete this form.

I request that my child be allowed to participate in Yale Summer Session, and I give permission for Yale Summer Session staff and faculty to communicate with my child by video link, e-mail, Canvas, phone, and text message, or through other electronic means. For students living on campus, this permission includes communications related to Yale Summer Session’s residential life program.

Printed Name of Parent/Legal Guardian: _____
